As a Computer Science student currently pursuing B.Tech, I am eager to secure an internship where I can apply classroom knowledge to real-world challenges. Seeking opportunities to contribute, learn, and grow in a dynamic professional setting

EDUCATION

Rajeev Gandhi Memorial College Of Engineering and Technology	2022-2026
B.Tech: Computer Science Engineering(Data Science), CGPA: 8.9	
Rajeev Gandhi university of Knowledge and Technology	2020-2022
12 th Grade: PUC(Pre University course), Percentage: 89	

PROFESSIONAL EXPERIENCE/INTERNSHIPS/PROJECTS

Project Name : Desktop Notifier

- A desktop notifier is a simple application which produces a notification message in form of a pop-up message on desktop.

Project Name : FunFact generator

- This script will retrieve data from uselessfacts.jsph.pl with the help of GET method, and we will use the requests and the JSON module to acquire and load the data respectively. After the data has been loaded, just pass the text within the dictionary so that we can only get the jokes. For creating a simple and interactive interface on the web, we will use the PyWebIO module.
